Quantities of 100 @ \$20.00 each

HEARTH Handbooks for Building Officials

Every hearth industry retailer should have a set in their shop; reps should have them too! What better way to "bridge the communication gap" than to order a set to give to your local building official?

\$49.95 each or \$89.95 for the set

Efficient Ways To Zone Heat Your Home

A new brochure produced by the HPBA, this color tri-fold brochure highlights a variety of gas hearth appliances—stoves, logs, fireplaces and inserts.

Quantities of 100 @ \$20.00 each

HEARTH 101: Introduction to Hearth Systems and Using Hearth 101 for Sales and Customer Service

Hearth 101 - provides fundamental product knowledge and technical information about all major categories of hearth appliances and venting systems. New and intermediate level sales and customer service personnel gain confidence and effectiveness in communication with customers from quickly learning the fundamentals of industry products, how they work, and what they require for safety and performance.

Using Hearth 101 for Sales and Customer Service - demonstrates how sales and customer service personnel can effectively combine technical knowledge from Hearth 101 with basic sales technique and customer service skills to make sales and to get referrals and repeat sales.

\$59.00 each or \$99.00 for the set

Burn It Smart

Consumer information on the benefits of EPA-certified wood stoves and responsible wood burning.

Quantities of 100 @ \$20.00 each

Hiring and Retaining Exceptional Employees

The two "must haves" in any business are (1) customers and (2) employees to service the customer. Hiring and Retaining Exceptional Employees focuses on hiring and retaining employees starting with key elements of a job description and take you through selection, orientation and training. This popular workbook is completely revised and includes the latest industry trends and the current best practices. The updated workbook comes with new industry survey results, best-practice tips and a CD-ROM of forms.

\$109.00 each

Fireplace and Stove Glass Safety

Safety tips to minimize the chance of burn injuries from hot glass on hearth products.

Quantities of 100 @ \$20.00 each
